**8 October 2021**

Dear valued customers,

**NEW TONER PACKAGING DESIGN**

We are pleased to announce that we will be transitioning all our toner cartridges to a brand new packaging (see appendix) to easily differentiate genuine toners from counterfeit toners.

This initiative will be implemented from the 8<sup>th</sup> of **October 2021** onwards, with the improvement of:

1. New visual design
2. Enlarged text for easier toner identification

During this transitional period, there will be two different versions of toner packaging designs in the market so please do not be alarmed if you see either of these designs in retail or online stores.

We greatly value and appreciate your continuous support and would like to thank you for choosing Brother.

Sincerely,

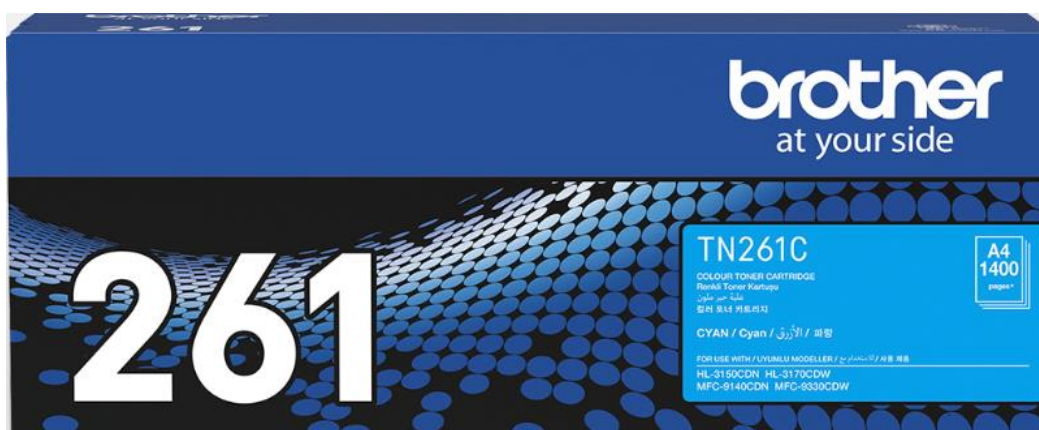

Brother International (M) Sdn Bhd.
